

## Rose Garden Area Sewer Project

The City of San Jose Department of Public Works is getting ready to start construction on a sanitary sewer improvement project in your neighborhood. The project will involve replacing and rehabilitating aging sewer pipes to improve flows and reduce sewer blockages.

### Streets Impacted

- Naglee Avenue from Bascom Ave. to Chapman St.
- Chapman Street from Naglee Ave. to Hedding St.

### Construction Schedule

- Late June 2009 – October 2009

City of San Jose  
Department of Public Works  
Transportation & Hydraulics Division  
1661 Senter Road – Building A  
San Jose, CA 95112

# Notice of Public Works Construction

*Naglee Avenue  
Sanitary Sewer  
Replacement Project*

## Project Information

### Scope of Work

- Remove and replace approximately 3,500 linear feet of sewer pipes
- Rehabilitate (line) approximately 1,800 linear feet of sewer pipes
- Other miscellaneous improvements

### Construction Schedule

- Start: Late June 2009
- End: October 2009

### Work Hours

- Monday – Friday
- 8:30am – 4:30pm

### Contractor

- Peak Engineering, Inc.
- General Manager, Mike Fredenburg  
Cell: (415) 859-1535

### City of San Jose – Public Works

- Project Manager, Julia Nguyen  
Office: (408) 975-7461
- Project Inspector, Lauro Sepulveda  
Cell: (408) 406-0577

## Temporary Construction Impacts

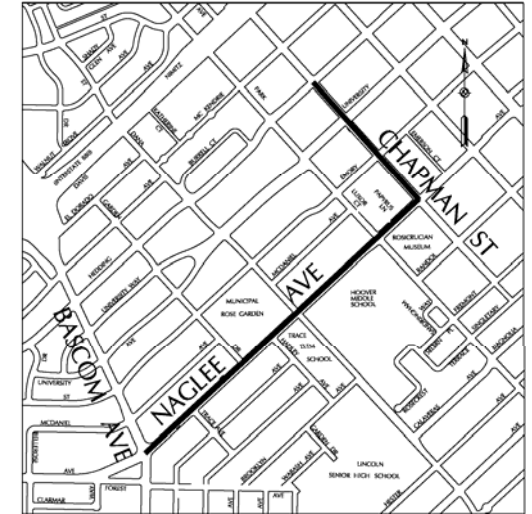

Temporary construction traffic controls and partial lane closures will be in place. Uniformed police officers will direct traffic when work occurs near or within any signalized intersections.

On-street parking may be temporarily impacted. “Tow-Away No Parking” signs will be posted at least 24 hours in advance of when parking restrictions will be in effect on a particular street.

Typical construction equipment and noise can be expected. Steam may be seen emitting from manholes during the pipe lining process – this is normal.

Prior to the start of construction, the Contractor will issue a 7-day notice and a 48-hour notice to affected residents and businesses along the project route.

A separate notice will be given at least 48-hours in advance of any temporary disruptions to driveways or utilities. You may be requested to temporarily suspend the use of washing machines, showers, etc. while sewer repair work is underway near your property.
